EXPERIENCE

VeriTech Software It Services   **Remote**
Java Developer Intern   *February 2024 - March 2024*
- Developed a Simple snake game utilising Java during a remote internship, showcasing proficiency in Java programming and GUI development.
- Contributed to a collaborative project, involving React, Spring Boot and MySQL focusing on user data management and database integration for enhanced system functionality.

SKILLS

JavaScript | React.Js | Java | MySQL | HTML | CSS | Spring Boot | Material-UI | GitHub | RESTful API | Computer-Networks

EDUCATION

Vivekananda Global University | *Bachelor of Technology*   *Jaipur* | **August 2019 - June 2023**
- Robotics Engineering
- CGPA : 7.6/10
- Vice president of VGU Toastmasters club

NRI Academy | *High School*   *Tirupati* | **June 2017 - May 2017**
- MPC
- CGPA : 9.86/10

PROJECTS

User Management System (UMS)   [GITHUB-LINK](#)
- Utilised React for frontend, Spring boot for backend and MySQL for database integration.
- Designed and implemented functionalities for user profile management.
- Ensured data security and system reliability through comprehensive testing and validation protocols.

PORTFOLIO - WEBSITE   [LIVE-LINK](#) [GITHUB-LINK](#)
- Crafted a portfolio website with React that is responsive and highlights key skills and projects.
- Demonstrated strong React proficiency in building interactive web applications.
- Maintained an optimal user experience across various devices.

TODO-LIST   [GITHUB-LINK](#)
- Designed a todo-list application with react allowing easy task addition and one click deletion for improved task management
- Applied frontend development expertise to boost user productivity in a practical project.

WEATHER-APP   [GITHUB-LINK](#)
- Developed a React JS Weather App with a user-friendly interface.
- Ensured seamless navigation for enhanced user experience.
- Integrated real-time, accurate weather data through API.

COURSE

Java Full Stack Development   *Bangalore* | **Apponix Technologies**
- Completed intensive Java Full Stack Development course
- Proficient in HTML, CSS, JavaScript, React, Java, Spring Boot, MongoDB, Bootstrap, and Material-UI
- Excelled in front-end development
- Hands-on project experience to reinforce practical skills
- Ready to contribute adept skills and comprehensive knowledge to software development teams

SOFT SKILLS

Collaboration and Teamwork | Team Management | Public Speaking | Adaptability
